<b>Facility</b>	<b>Interior:</b> Mike from BCCGP contacted the plumbers about the noise from pipes and leaks. All repairs were made, ceiling tiles were replaced and he is getting a quote on putting insulation around the pipes. He will be asking the BCCGP to cover the cost.  <b>Exterior:</b> Per Tyrone/Justin we are hoping to have plans for the field in hand by the end of Friday.		
<b>Compliance:</b>	No changes since the March mtg.		
<b>Budget</b>	Some positive items related to the budget: we have finished and qualified for title 1 and received additional funds. We have reclassified some of our previous expenses and will be able		

	to purchase items and use them for now and next year. This positively impacts our budget and cash position. We are applying for the payroll tax relief for a few employees we are paying who can't perform their regular duties, so will also impact the budget a little bit for the good. SCSA maintains its projections and will end the year in a positive position.
