|-------------------------|------------------------|
|-------------------------|------------------------|

| |
|--|
| SCSA is actively EOG re-testing students in grades 3-8 after 3 weeks of intensive remediation. |
|--|

| |
|---|
| Staffing: 3 positions open |
| Facility: Upgrades in the building include cleaning and painting for the main building and the gym/cafe. |
| Fundraising: Nothing at this time. We are currently planning for next year's fundraising |
| Safety: None at this time. |
| Parent Communications and Events: We have created the 24-25 Family Folder that will be sent out weekly until the first week of August. |
| Community Engagement: Nothing new to note at this time. |
| Bus Transportation: In the month of July we will be working with our 24-25 bus lottery system. |
| Food Service: Nothing to update at this time. |
| Celebrations: We have received our final accreditation reports and are so proud and pleased to share that we have earned a full 5 year accreditation as well as a STEM Certification and have multiple noteworthy practices to share! This was a very thorough and purposeful activity over the course of the year that will drive our school improvement process and provide us items to continue and areas to improve. We will be sharing this publicly with all stakeholders shortly. |

Summer School

Over 100 students in grades 3-8 have attended the summer school session in June. We were fully staffed with all SCSA employees. There was robust instruction taking place in all classes.

The Career Accelerated Camp was designed for middle school students. Around 20 students were immersed in various career presentations that ranged from bakers, engineers, an actor and several presentations from those in the medical field.
