

Southwest Charlotte STEM Academy

Governing Board Report

Date: 8/21/2024

Principal: Teddy McIlwain

Revenue Planning	Enrolled	Waitlist
Kindergarten	88	0
1st Grade	104	0
2nd Grade	100	0
3rd Grade	100	49
4th Grade	90	0
5th Grade	98	0
6th Grade	118	39
7th Grade	109	35
8th Grade	83	11
Total	890	134

Criteria	Progress
Academics	SCSA is off to a great start in the area of Academics! During the first 8 days we have been working to build positive relationships, consistent routines, and efficient procedures. During pre-planning week, teachers received scope and sequence documents for the year. These scope and sequence documents align to our BOY, MOY, and EOY Case 21 Benchmark Assessments. During the first 8 days, teachers have been working to reteach the prerequisite

	<p>skills associated with their first units of study. Starting 8/26, K-8 will begin the BOY I-Ready Assessments. 3rd Grade will complete their BOG Assessment on 8/27. These assessments coupled with 23/24 EOY Data will help us plan responsive learning plans that meet the needs of our students. Assistant Principals, Mrs. Duncan and Dr. Carpenter will be meeting with teaching teams to start our academic PLCs after we receive data from these assessments.</p>
Staffing	At this time SCSA is fully staffed.
Facility	<p>SCSA's Facility is in great condition! We spent some time this summer going through the building and identifying items that need to be fixed. It is important to note that these items were not major but rather typical wear/tear items. Huge shout out to Top Pro, Roger, and Mrs. Duncan who made sure that our building was ready to welcome students, families, and staff!</p>
Budget	See Report in Email
Technology	<p>Although we are not quite 1:1, SCSA has adequate technology to support teaching and learning! All teachers received new chromebooks that replaced the lot purchased in 2019. Core instructional teacher's computers were cleaned, reset, and added to create two additional classroom carts. We'd like to send huge shoutout to 6th Grade Math Teacher, Ms. Kirby and her volunteer team for setting us up for success in the area of PC management and accountability for the 24/25 school year!</p>
