Criteria	Progress
Academics	The 1st Quarter of the 24/25 school year was great at SCSA! As we know the 1st quarter is essential as it lays the foundation of knowledge and skills for the duration of the school year. Our staff has been working diligently to plan learning experiences that align to the pacing guides that were shared with instructional staff during the opening week of school. I have enjoyed seeing

	<p>students engaged in their learning as they've worked to master the skills and knowledge in the 1st Quarter! A special shout out goes out to 184 Rockets who earned Honor Roll during 1st Quarter.</p> <p>Towards the end of the Quarter, SCSA administered both state and local assessments. 3rd Graders took the annual North Carolina Read to Achieve Test. Students in Grades K-8 took our I-Ready Diagnostics. Students in grades 3-8 took Case 21/Mastery View Predictive Assessments. Please, click here to see our data.</p>
Staffing	At this time SCSA is currently interviewing for a 7th Grade Math Vacancy.
Facility	SCSA's Facility is in great condition! We've had some preventative maintenance done on our HVAC System and a pedestrian entry gate to the school was repaired to help keep our students and families safe as they walk on to campus. SCSA is proud to be working with the Rocket Parent Staff Association (RPSA) and MCSA Titan Mrs. Ranieri who is painting several murals in our stairways. SCSA students and staff members are excited about the work that she is doing!
Budget	See Report in Email
Technology	SCSA has adequate technology to support teaching and learning.
Athletics	SCSA is extremely proud of our Athletic Teams. For fall sports, SCSA has been competitive in Varsity/JV Volleyball, Soccer, and Cheer.
