7th Grade	112	30
8th Grade	85	22
Total	870	138

**7 students will started on 1/21 making current enrollment 877*

Total Applications for 25/26 School Year	297
	We are hosting family engagement nights twice per month. We also have a standing family tour/information session every Tuesday morning.

Criteria	Progress
Academics	We returned in January eager to pick up where we left off in December. To this end, we've taken some time to review the data that was collected during our last Case 21 assessment in

	<p>December. Teachers are working on modifying their instruction to be responsive to the needs of students in ways that still allow them to remain on pace to finish the curriculum in time for our End of Year Assessments. During the week of 1/13, students took their Middle of the Year I-Ready Assessment. We are using both data points to invite over 200 students to our after school tutoring program that is set to start on 1/27. This tutoring program is set to run 5 weeks. After we administer our last Case 21 Assessment we will host another round of After School Tutoring in preparation for our End of Year Assessments.</p>
Staffing	Fully Staffed
Facility	Great Condition
Budget	See Report in Email
Technology	Great Condition
Athletics	<p>This week is Homecoming at SCSA! Students and staff will participate in a themed spirit week. We are looking forward to seeing many of our former Rockets at the Homecoming game on Thursday and the Homecoming Dance for Middle Grades students on 1/24.</p> <p>SCSA Cheerleaders have several competitions coming up and our track team is in the midst of training for another successful season.</p>
Other	<p>Thanks to Vision to Learn, Around 200 pairs of eyeglasses will be distributed to SCSA students on 1/27 and 1/28</p> <p>Thanks to the Dottie Rose Foundation, our 5th Grade Girls will be participating in a "Binary Bling" party focused on coding in February for National Engineering Week.</p>
