Academics	SCSA is currently in the intense prep time of the year getting ready for EOG testing. We have Case 21 testing happening the week of March 27th which is our final full week before Spring break. We will be able to share the results at the April meeting which will give everyone a good indication as to our readiness for EOGs.

Celebrations:

- Fully staffed
- There is a higher percentage of students above grade level in reading and in math compared to this time last year.
- We had a successful whole school fundraiser that helped to raise money to fund our end of year event in May!
- Student attendance increased by 20% in the 3rd quarter of the school year!
- We have 22-23 Teacher of the Year!!!! Ms. Ashley McFadden is our esteemed 7th grade eLA teacher and is a Founding staff member as well. She is a natural student nurturer, a strong support and resource to her team and the school and such a remarkable person to work alongside!!!
- We celebrated our Bus Drivers for Appreciation Day on 3/20!
