Professional growth and development goals

SCSA had an intentional focus on the below PD goals this year:

1. implementation of a collaborative learning approach into instruction so that students were collaborating at least 3 times weekly
2. Intentional movement practices to facilitate learning so that 80% of students were actively engaged during instruction each day
3. Establishing classroom protocols and model classroom procedures for students daily to create a positive, supportive, and safe learning environment for students all year long.
3. Data driven team meetings to have a laser like focus on student learning to ensure intervention based practices are happening

New ideas and programs that are being developed.

- Training and Developing for the Instructional Coach for continued support of teachers
- Monthly Teacher Presentations on Instructional Practices (Train the tRainer Model)
