Operations	<p>Facilities: Facilities remain in excellent condition. We recently upgraded our campus safety and monitoring system, including the installation of exterior cameras to expand coverage across the campus grounds. This enhancement strengthens overall visibility and supports a safe learning environment.</p> <p>Communication: Parents continue to receive weekly updates, through the <i>Rocket Blast</i>, ensuring families remain informed and connected. Grade-level teams maintain consistent notifications, and RPSA, Athletics, and Student Support Teams communicate regularly throughout the month to keep families engaged.</p> <p>Transportation: We continue to operate six buses across seven routes. Routes remain stable, and daily arrivals and dismissals remain smooth, with fewer late returns and a consistent transportation schedule.</p> <p>School Nutrition: Student participation in school meals has remained steady. The Student Culinary Council continues to provide student input and feedback.</p>
